Barth Legate puts emphasis into his speech in speech class.

Joan Engelmann, Jeanne Gieszelmann, and Dave Dietzel prepare the bulletin board in Miss McCowen's English class.

Communications with others is a most important part of our life. Our English department at E.H.S. trains us to express what we feel and believe and teaches us one of the most essential parts of our American way of life—freedom of speech. In this age, modern transportation makes the world seem smaller and foreign countries seem just a few hours away. A mastery of our language is no longer sufficient; we must learn to speak the languages of others. At E.H.S. we can study Latin, Spanish, French, and German to meet this new demand. In our social studies department, we not only learn of our forefathers but also of the duties and responsibilities confronting us when we become citizens. Besides history and geography courses, E.H.S. offers psychology and sociology classes where we can learn how to live together harmoniously.

Students practice the art of conversation before school starts.

Mary Ellen Stephenson, Kenneth Garwood, and Mary Jo Rezabek examine some native handicraft in Spanish Class.

Roger Koch, Mary Steinmeyer, and Mr. Price discuss the War of 1812.

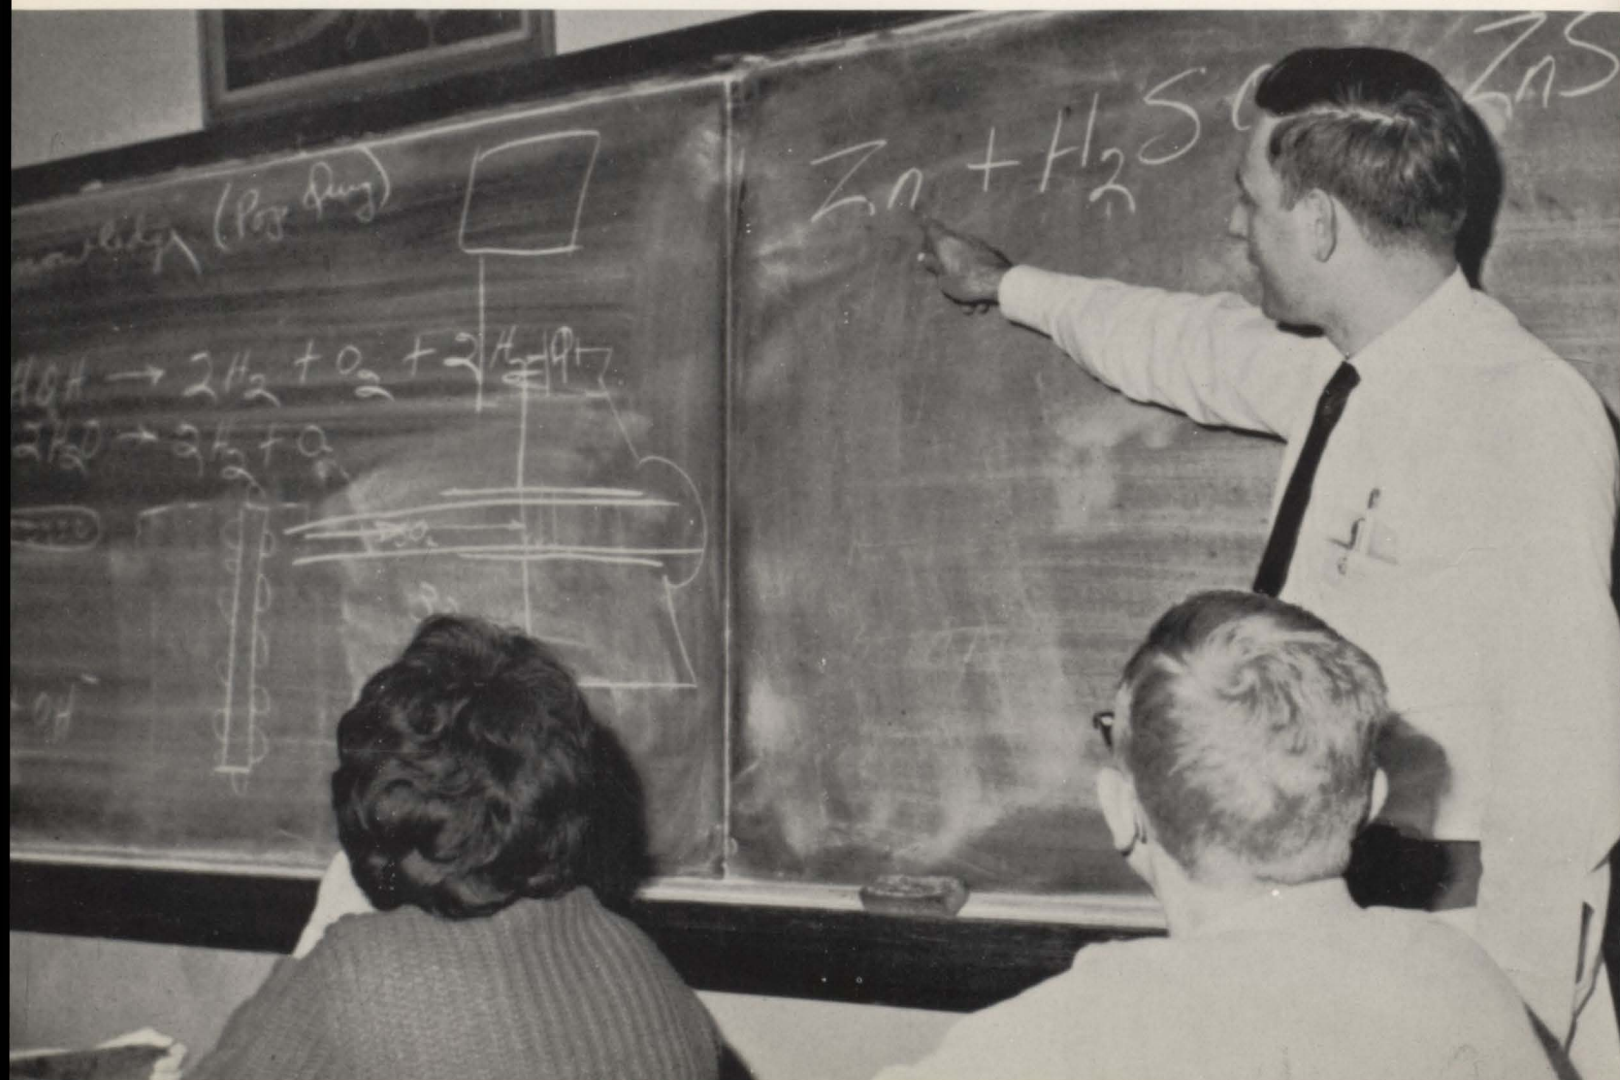

Natural Science and Mathematics

Today we are in a constant race with Communism. Underdeveloped countries must be won toward our way of life. Fighting against disease and illiteracy creates good will for our country, but we must also have ably trained scientists, technicians, and mathematicians to win this battle with Communism. In our classes at E.H.S., we learn the formulas and theories which are essential in the successful construction and flight of rockets. Our biology, chemistry, and physics classes are designed to prepare the scientists of tomorrow and to acquaint everyone with a useful knowledge of science. Our math classes teach us logic and give us a background for the study of more advanced science and mathematics, which in tomorrow's technical world will become increasingly important.

Ronnie Aubrecht examines chemicals with fellow chemistry students.

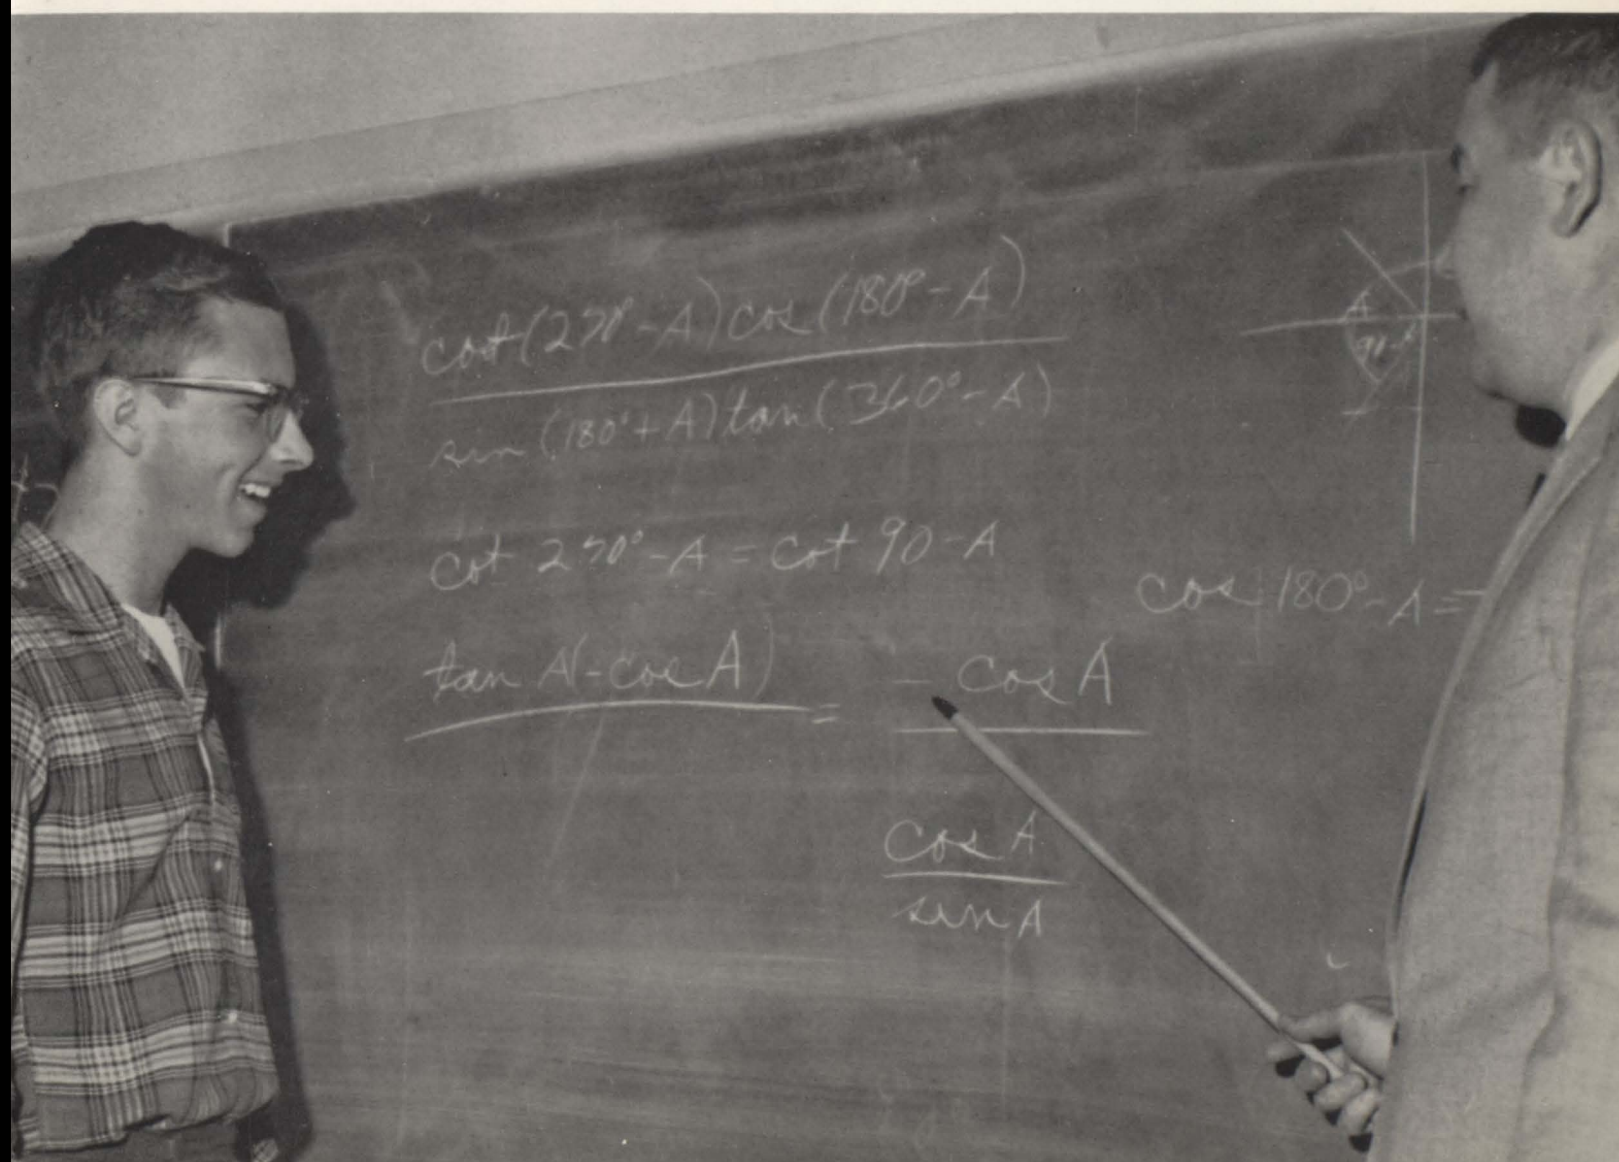

Sue Handlon and Dale Bode attempt to comprehend chemistry from Mr. Powell.

Walter Weeks, Ronnie Aubrecht, Barbara Guller, Harry Lawrence and Laverne Wallace learn of the mysteries of the chemistry lab.

Mr. Elam and Lee Transue examine the cosine.

The industrial courses at E.H.S. provide training in the areas of mechanical drawing, woodwork, metal work, and electricity. The students are taught to do their work faster and safer. This knowledge will help them acquire higher and better paying jobs in these fields.

Our home economics department is primarily concerned with preparing girls to manage happy homes. Home projects, studies in nutrition, meal planning, sewing, interior decorating, and child care are all offered to prepare the future homemaker.

Vocational agriculture students study the correct farming techniques, raising livestock, farm management, farm financing, and farm mechanics. Through their own farm projects, they gain experience which will help them manage successful farms.

Art and Business Education

Art is the practical application of knowledge and natural ability. In our art classes at Edwardsville High School the natural ability of the student is joined by training and technique to prepare him for vocations in this field. Art classes strive to awaken a deep sense of appreciation for beauty and to benefit students who study it for their own enjoyment.

The business education department is concerned chiefly with preparing the student for earning a living. Out of our classes at Edwardsville High School come the men and women who will take on the responsibilities in big business. Students who wish to make their careers in the business world have the opportunity to take courses in business practices and economics.

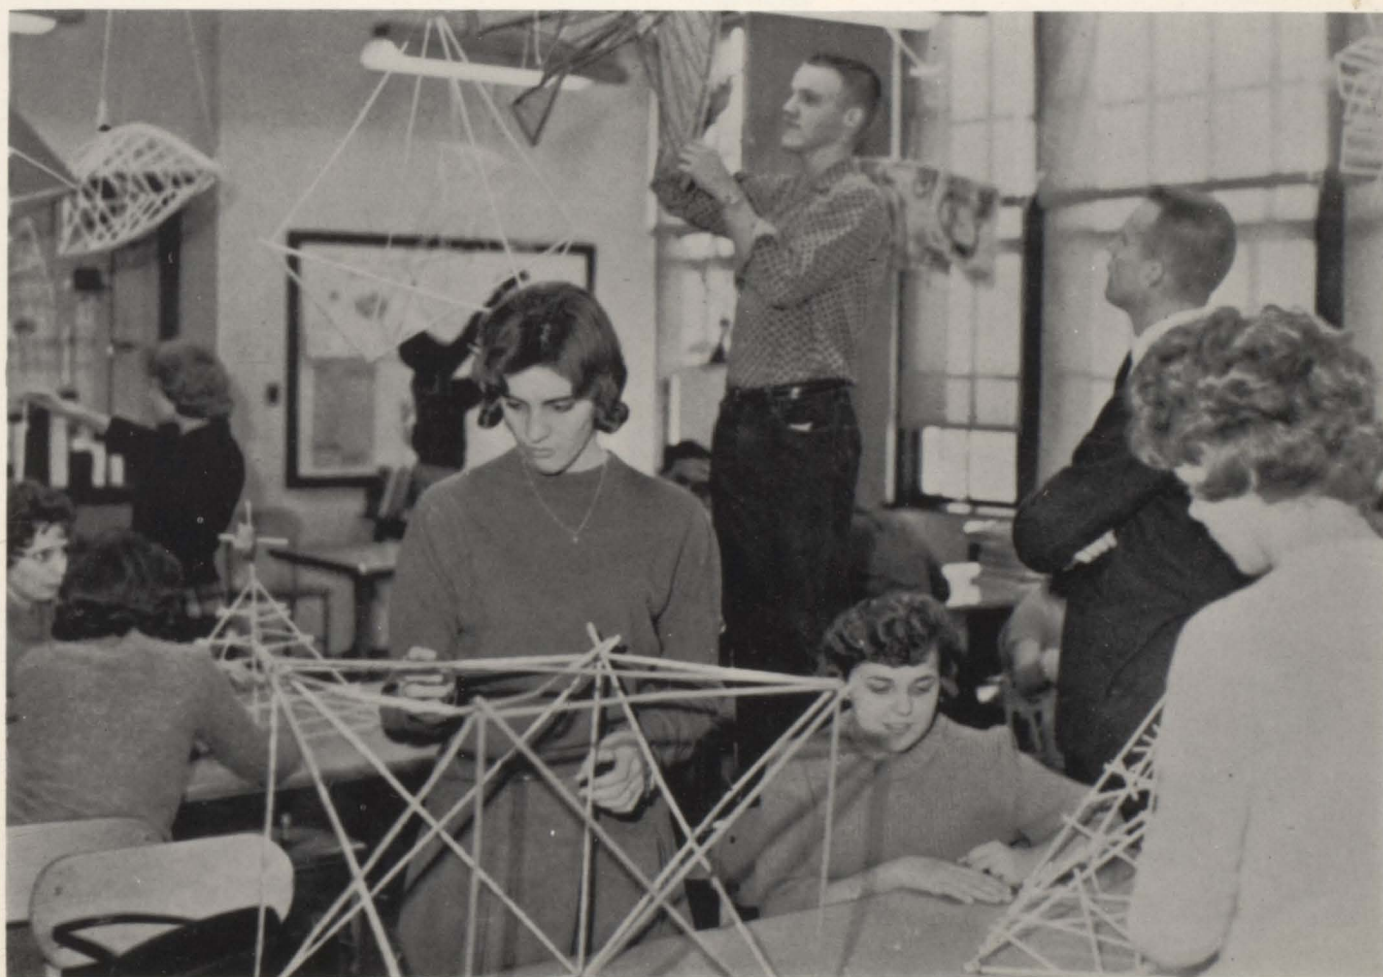

Carol Treat gives her business education assignment her undivided attention.

Helen Dean, Karen Neidhardt, Edith Johnson, Shirley Foehrkalb and Lucinda Meyer work to increase their typing proficiency.

Mr. Durham admires the mobiles of Marlyn Mason, Kathy Hartnagel, Sharon Vieth and Gary Franke.

Physical Education, Health, and Driver Education

Rae Yehling, Sherry Bennette, Ann Burrus, and Becky Hellrung prepare for their next class after a hard period of play in P.E. class.

The health and physical education department of our high school strives to train the students in good health habits. Through taking part in various sports, they develop healthy bodies and acquire a sense of sportsmanship. In health classes the students are taught the value of wholesome living and the necessity of good mental and physical condition. The aim of the driver's education department is to instruct the students in the correct way to drive and to teach them proper respect for the automobile. Through actual driving and classroom study, the pupils realize the importance of safety and courtesy on the road.

Mr. Price shows Gary Lane the correct way to fasten his seat belt.

Janet Head raises her hand in triumph as her team wins in some fast relays in Mrs. Mullen's P.E. Class.

Carolyn Schaefer displays great determination in a race with Sue Droege.

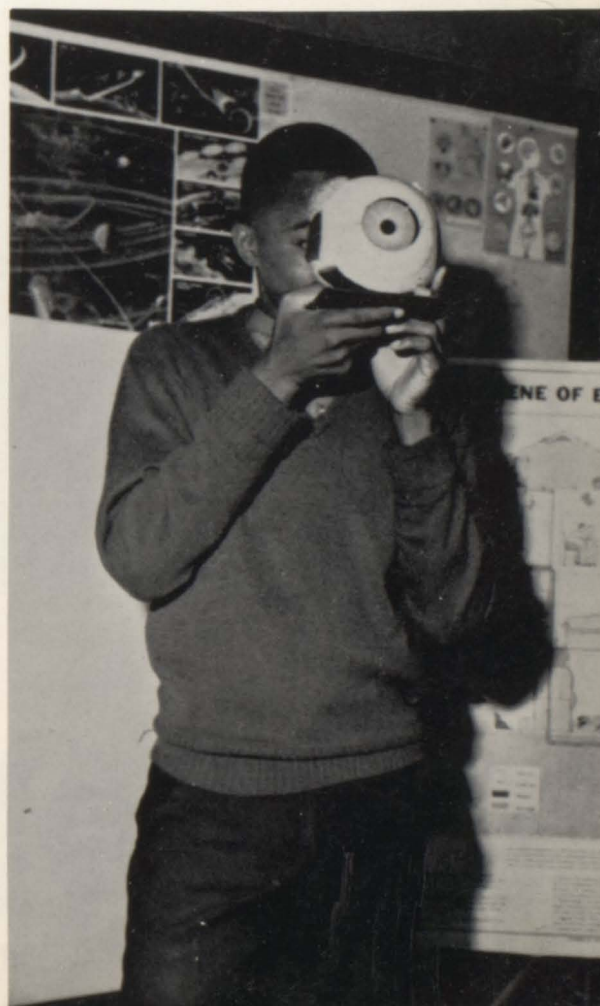

Three boys in P.E. class show dexterity at climbing ropes.

Homecoming

Homecoming was the first and perhaps the most exciting of the many social events of the year. A parade, followed by a spirited pep rally, was held on Thursday, October 26. The next night the exciting homecoming game was lost to Granite City by only a few points. On Saturday, October 28, the annual homecoming dance was held, climaxed by the procession of the homecoming court and the crowning of the queen. The queen, the royal escort, the special maids and their escorts, are chosen by the entire student body. The other members of the court are chosen by their respective classes.

 WRESTLING

Leaving for the state meet are Coach Freeland, Bob Weise, Dave Cochran, Robert Burnham, Bob Pulliam, Ken Wieduwilt, Kit Blackmore, Ralph Koenig, Dave Werner, Alan Vest, and George Burnham.

Denny Caulk hands George Burnham his place card.

Despite the cold, many students come out to cheer the cross country team off to state (lower right).

The cross country team again had a very successful season. The Tigers earned third place trophies in the Beaumont and Peoria Invitationals, in both of which approximately thirty schools competed. In the district meet held here, the Bengals finished second, and they also received second place honors in the conference meet held at Belleville. George Burnham set a record for our local course in the Wood River meet.

The Tigers finished fourth in the state meet. George Burnham finished third among team competitors and sixth in the field, higher than any previous E.H.S. runner has finished. Other Bengal harriers to place were Kit Blackmore, 22; Ralph Koenig, 25; Bob Weise, 28; and Dave Cochran, 39. An added accomplishment of the cross country boys in the state meet was that they finished well ahead of Alton, who had captured first place honors in both the district and conference meets.

The 1961 football season officially opened September 15 when the Tigers played Madison to a 19 to 19 tie. After losing to Kirkwood the following week, the Tigers went on to defeat Wood River and Collinsville on the losers' fields. The Collinsville game was a 20 to 19 thriller and was considered by many as the most exciting game of the year. At this point in the schedule, the Bengals were tied for first place in the Southwestern Conference. However, the Tigers then met consecutive defeats at the hands of East St. Louis, Alton, Granite City (Homecoming game), and Belleville. The football Tigers closed the season by defeating Roxana, 27 to 7. The overall schedule yielded 3 wins, 5 defeats, and 1 tie. In conference games

Jim Lueders, Kenny Bivens, and Russ Helmich work hard as football managers.

the Orange and Black won two and lost four.

For each game, the cheerleaders presented an award to one outstanding player, who was selected by a panel consisting of Mr. Price, Mr. Lucco, Mr. Butler, Mr. Isselhardt, and Mr. Kuethe. Gary Schumacher was selected for the Madison and East St. Louis games, and Wayne Henderson received the award for the Wood River and Granite City games. Tony Regna and Rudy Slemmer tied for the award for the Kirkwood games. Other boys receiving the honor were Kent Wildman, Collinsville game; Larry Schaake, Alton game; Jack Bayer, Belleville game; and Ronnie Aubrecht, Roxana game.

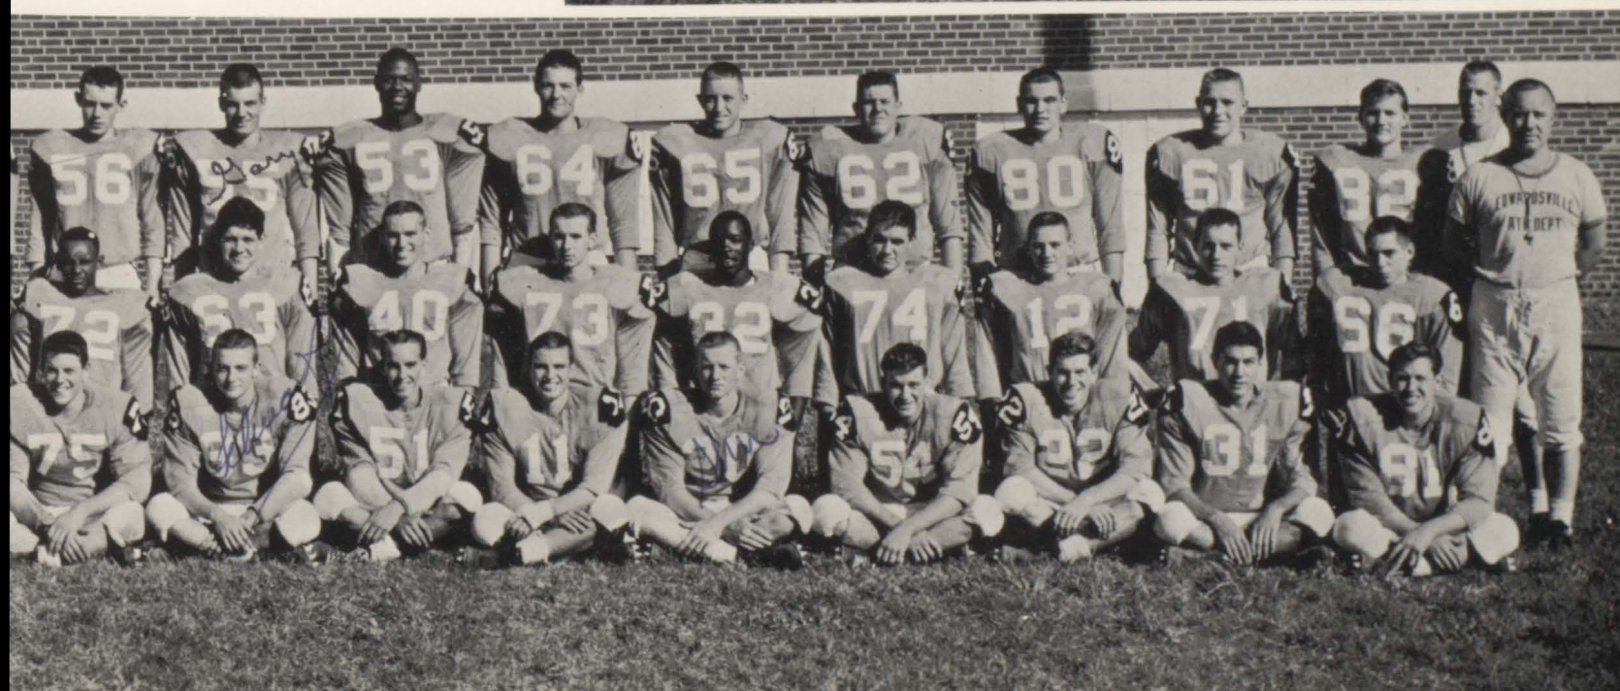

Terry Johnson (62), Bob Senn (64), and Bill Cerny (71) participate in a charging drill under the direction of Coach Kuethe.

After several weeks of practice the basketball season opened December 1 with a victory over Highland. Through games to February 24, the Tigers won five and lost sixteen. A high point of the season was winning the tournament at St. Anthony of Effingham. Our only victory in Southwestern Conference competition was over Granite City here. The Jr. Varsity team won eight and lost nine, and the Sophomore team had a good record of nine wins to go with four defeats, through February 24. With the majority of the lettermen returning next year, prospects for the future look somewhat more encouraging.

Dear Denny:

Well we have completed 8 years of grade school, 4 years of high school and 4 years in roll room together. I hope to see you at our 25th class reunion. HA. Are you smiling? Look at those boys sing!

and don't work to hard.

*Denny,
 Don't forget
 Composition class
 and all the fun we
 have had.
 Best of luck to a real
 swell guy.*

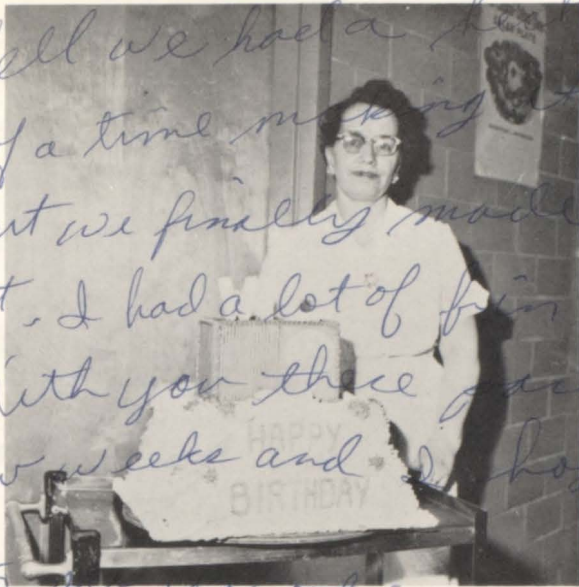

*Janey
 Please don't think too
 badly of Miss Sloan, she
 can't help being the
 way she is.*

"If the shoe fits, wear it!" states Dean Acco.

Denny,

Well we had a heck
of a time making it
but we finally made
it. I had a lot of fun
with you these past
few weeks and I hope
to see you this summer

Mrs. Parker and her prize-winning cake that she entered in the W.I.L. Birthday Contest.

Dennis.

Its been nice having
you in English class
even though Miss Sloan
gave you a rough time
and the class wasn't

too much. Good luck
always to real nice

Pat

Best of luck to one
of the sweetest Sr. boys I
know. Boy! this year
has gone by fast! I shall
never forget the fun we
had at the Homecoming

Denny,
you keep the ball rolling
you see you
this summer + good luck
at winter.
Kubi,
Best of luck
from one of your great ones. The
Best of success to you always.
Don't forget our
great intermural
bowl. See you
at summer.

THE BEGINNING

Denny,
Hi!
Rats' o Duck!
Bye!
Jim

Kube,
lots of luck to a
small kid and
sheep working
on that line.

O my dear friends
 twelve years of hard
 driving and now
 I have come
 back into the
 arms of my
 friends and
 family. I am
 glad to be
 home again.

DENNY

Denny:
We sure had
fun in Clerical
Practice this year.
We teachers have to stick
together. Got to always
in whatever you
do.
